Observations

- Prediction is YSRCP is going to win 120-130 seats in Assembly constituency and 20- 21 in Parliaments, momentum still with them
- Women vote share is close to 60%, which is highest ever
- YSRCP cadre is very good
- Pensioners are very angry and it can go almost one sided to YSRCP
- Comments of TDP leaders on volunteers and EC complaints can damage Alliance and helps YSRCP
- In Alliance cadre is not trusting each other which is positive to YSRCP
- Minorities good movement towards YSRCP
- Lower income group BCs will til towards YSRCP
- In Rural youth Jagan has more craze than CBN –
- 31 seats of Janasena and BJP, alliance has chance of winning maximum 4-6 seats
- Congress is not going to take YSRCP votes, in fact it is helping YSRCP by splitting anti incumbency votes
- Volunteers system helping YSRCP in eliminating Middle man and it directly helps common man in getting Government benefits
- Janasena Cadre was expecting Pawan Kalyan as a CM but due to allocation of 21 seats cadre disappointed.
- BJP is having only 1 -2 % of vote and which is negative to Alliance which directly helps YSRCP
- Internal Connectivity roads are not good which is negative to YSRCP
- After YSRCP manifesto , Vote share may increase to YSRCP.
- JAGAN 2019 Manifesto all most implemented that also positive to YSRCP
